## Health and Safety Manager

Taconic, a global leader in the manufacturing of PTFE coated fiberglass fabric, belts and tapes has an opening in our corporate office for a Health and Safety Manager to provide oversight and management of Health and Safety activities, while ensuring compliance with all federal, state and local laws, for our NY and CA facility operations.

- Bachelor's degree in engineering or related discipline and five years of health and safety experience within a manufacturing setting.
- Should have experience working with regulatory agencies.
- Have knowledge of company manufacturing processes with the ability to recommend changes as necessary.
- Have experience or training knowledge in Industrial Hygiene and OSHA regulations.

Salary Range \$75,000 - \$100,000 per year.

We offer a competitive benefits package including medical, dental, vision and life insurance, a competitive compensation and retirement package, tuition assistance, vacation, a business casual work environment and more! For immediate consideration please email your resume to [hr@4taconic.com](mailto:hr@4taconic.com).
